**NOTE:** The weather products listed are data sources from which weather information is compiled and are not necessarily the names of actual map products displayed on the respective display device.

You must have the Radio ID code(s) of your receiver(s) before you call to subscribe to XM services. Refer to the owner's manual on your XM capable equipment regarding how to access the Radio ID code information. Some equipment may be capable of receiving both XM WX as well as XM Radio services – refer to the owner's manual of your equipment as to the specific capabilities.

Contact XM Satellite Radio by phone at **1-800-985-9200** to subscribe to XM WX Weather and/or XM Radio. When you call, an XM representative will ask you to provide your address, billing information, radio ID code(s), and other information to set up your XM account. You may also call this number or visit [www.XMWXweather.com](http://www.XMWXweather.com) or [www.xmradio.com](http://www.xmradio.com) for answers to other questions you may have.

### **XM Satellite Radio Inc.**
